LIV: Hot hot hot in the summer

Francois Frossard, local interior designer for LIV, Story and Moon Palace Cancun, spent Friday night at The Forge celebrating the news that he has been hired to design the new iconic Queen Nightclub in Paris. Asked what can be expected of the new space, Frossard revealed it will feature wall-to-wall mirrors and LED lights as a homage to the club's glitzy and glamorous early days at the center of Paris' 1990s fashion scene.
